

**St Mary's Catholic Primary School
Canterbury Road
Kilburn
London NW6 5ST**

Admission arrangements for 2026 -27

St Mary's is a Catholic voluntary aided school in the trusteeship of the Diocese of Westminster. As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. All applicants are therefore expected to give their full, unreserved and positive support for the aims and ethos of the school.

Preference is given to Catholic children who provide a Baptismal Certificate from their usual place of worship. However, we warmly welcome and encourage applications from children of all faiths and backgrounds. Address verification may be required for all applicants

The **governing body** is the admission authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The admission authority has set the school's Published Admissions Number ("PAN") at 30 pupils to **the reception year** in the school year which begins in September, 2026. Applications are welcome from families whose child reaches his/her 4th birthday between 1st September 2025 and 31st August 2026.

Oversubscription criteria

If there are more applications than our published admissions number of 30 places, the Admission Authority will offer places in accordance with the following criteria, listed in order of priority:

1. Catholic looked after children and previously looked after Catholic children who have been adopted (or subject to child arrangements orders or special guardianship orders) immediately following having being looked after.
2. Baptised Catholic children with a Certificate of Catholic Practice from the priest at the parish where the family normally worships.
3. Children who have been baptised as Catholics or received into the Catholic Church.
4. Other looked after children and other previously looked after children who have been adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after.
5. Catechumens or members of an Eastern Christian Church.
6. Members of other Christian Churches whose practice is supported by a either a baptism certificate or a letter from their priest or minister confirming membership of the parish community.
7. Any other children.

Note 1: The Governing Body will give top priority after the appropriate category of looked-after children, to an application where compelling evidence is provided at the time of application, from an appropriate professional such as a doctor, priest or social worker, of an exceptional social, medical, pastoral or other need of the child, which can only be met at this school.

Note 2: In each of the above categories, the presence of a brother or sister, foster or half brother or sister or step brother or sister in the school at the time of admission will increase priority within that category.

Note 3: Where the admission of twins or all siblings from a multiple birth would cause the school to rise above its PAN (Published Admission Number), both twins or all of the siblings will be admitted where logistically possible. Where the admission of the additional child or children from multiple births to an infant class would result in the PAN rising above 30 children per teacher, the additional child/children would be exceptions to the Infant Class Size legislation throughout the infant phase or until the number in the year group reduced to the PAN.

Note 4: A child's "home address" refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form ("CAF"). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

Tie Breaker

Where all else is equal, higher priority will be accorded to the child living nearest to the school, the distance being measured by a straight line from the front door of child's house to the main entrance of school. Where there are applicants living in flats at the same address, the distance will include the distance from the front door of the flat within the building i.e. the flat nearest to the main door to the building will have priority. This distance is measured by the Local Authority.

Pupils with an Education, Health and Care Plan (EHCP)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Details of this separate procedure are set out in the *Special Educational Needs Code of Practice*. Please ask the school for further information. Pupils with this school named in their EHC Plan will be admitted.

Fair Access

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admissions round, the Governing Body is empowered to give absolute priority to a child where admission is requested under any local protocol that has been agreed by both the Governing Body and the Diocese for the current school year. The Governing Body has the power even when admitting the child would mean exceeding the published admission number.

Admissions for Reception

All applicants must complete a local authority e-admissions form online from the local authority in which they live. Paper forms (Common Application Forms (CAF)) can be obtained from your LA and returned to your Council by the annually published closing date. In addition to the online Local Authority Form you should also supply St Mary's forms as follows:

- St Mary's Supplementary Information Form (SIF): This is essential for all applicants, providing necessary details about the child and family.
- Baptismal Certificate: If your child has been baptized in the Catholic faith or any other denomination, kindly provide their baptismal certificate. This is not mandatory but can be provided if applicable.
- Certificate of Catholic Practice: For families who actively participate in Catholic worship, this certificate is required. If you do not have this or it's not applicable, please let us know.
- If any additional information or documentation is required, we will promptly inform applicants during the admissions process."

The Supplementary Information Form (SIF) is obtainable from the school and the SIF is also available from the LA offices and the LA website (www.brent.gov.uk). You can collect the form from the school or contact the school and ask for it to be sent to you.

The completed St Mary's form should be returned along with a copy of the child's baptismal certificate and to St Mary's School by the closing date which will be 15th January 2026.

If you do not complete both the CAF and SIF and return them by the closing date, the governing body may be unable to consider fully your application and this may affect your child's chance of being offered a place.

The closing date for applications will be 15th January 2026 and notification letters will be sent out by the Local Authority on behalf of the Governors on 16th April 2026. This information is available from the Brent website www.brent.gov.uk. St Mary's abides by this timetable.

- 1a. If the application for a place in school is unsuccessful you have the right of appeal to an independent appeal panel.
- 1b. If you wish to appeal against non-admission please do so in writing to the Chair of the Governing Body, care of the school.
2. Appeals should be lodged by 24th May 2026. Appellants will receive at least 10 school days' notice of their appeal hearing date.
3. In addition to the right of appeal, unsuccessful candidates will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and not in the order in which applications are received or added to the list. The waiting list will be held open for one school year.

In-Year Admissions

Applications for In-Year admissions are made directly to the school. Where there is no waiting list the local authority will be notified and the child will be admitted. If more applications are received than there are places available then applications will be ranked by the governing body in accordance with the oversubscription criteria, with the following modifications: Catholic children without an offer of a school place elsewhere are given priority immediately after Catholic 'looked after' children; similarly, other children without an offer of a school place are given priority immediately after other 'looked after' children. If a place cannot be offered at this time then you may ask us for the reasons and you will be informed of your right of appeal. You will be offered the opportunity of being placed on a waiting list. This waiting list will be maintained by the governing body in the order of the oversubscription criteria as modified above and not in the order in which the applications are received. Names are removed from the list at the end of each academic year. When a place becomes available the governing body will re-rank the list so that an offer can be made.

CHILDREN EDUCATED OUTSIDE THEIR CHRONOLOGICAL AGE GROUP (except Reception applications for summer born children)

Parents may apply for their child to be educated outside his/her chronological age group i.e. a year behind or a year ahead. Application should be made to the Chair of Governors at the time of application and any supporting evidence should be submitted at the same time. Governors will consider each case on its own merits and permission will only be given in exceptional circumstances.

CERTIFICATE OF CATHOLIC PRACTICE

Applicants applying under criteria 2 should submit a Certificate of Catholic Practice (CCP) by the closing date. This certificate is available from the priest at the parish where the family normally worships or from the diocesan website. It is the parent's duty to ensure that the CCP is submitted to the school in good time. You will need to get a Certificate of Catholic Practice form signed for each Catholic school that you are applying to.

RECEPTION YEAR DEFERRED ENTRY

Applicants may defer entry to school up until compulsory school age i.e. the first day of term following the child's fifth birthday. Application is made in the usual way and then the deferral is requested. The place will then be held until the first day of the spring or summer term as applicable. Applicants may also request that their child attend part-time until compulsory school age is reached. Entry may not be deferred beyond compulsory school age or beyond the year for which the application has been made. Therefore, applicants whose children have birthdays in the summer term may only defer until the 1st April 2026.

SUMMER BORN CHILDREN

If a parent wishes his/her summer born child to start school in Reception in the September following his/her 5th birthday i.e. a child born between 1st April – 31st August being admitted to Reception at 5 years of age, they should make the school aware of this by writing a letter to the Chair of Governors at the time of application. Parents must then submit an application in the normal way. This application will be treated in the same way as all other applications

Notes (these notes form part of the over-subscription criteria)

A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making an application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Included in this definition are those children who appear (to the admission authority) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

"Parent" is the person or persons who have legal responsibility for the child.

'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the laws of the Church.

"Certificate of Catholic Practice (CCP)" means a certificate given by the family's parish priest (or the priest in charge of the church where the family normally worships) in the form laid down by the Bishops' Conference of England and Wales. It will be issued if the priest is satisfied that at least one Catholic parent or carer (along with the child, if he or she is over seven years old) have (except when it was impossible to do so) attended Mass on Sundays and holy days of obligation for at least five years (or, in the case of a child, since the age of seven, if shorter). It will also be issued when the practice has been continuous since being received into the Church if that occurred less than five years ago. It is expected that most Certificates will be issued on the basis of attendance. A Certificate may also be issued by the priest when attendance is interrupted by exceptional circumstances which excuse from the obligation to attend on that occasion or occasions. Further details of these circumstances can be found in the guidance issued to priests <http://rcdow.org.uk/education/governors/admissions/>

“Sibling” refers to brothers and sisters, step brothers and sisters, half brothers and sisters or adopted brothers and sisters.

“Home Address” refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form (“CAF”). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

“Catechumen” means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.

“Eastern Christian Church” includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

“Children of other Christian denominations” means children who belong to other churches and ecclesial communities which, acknowledge God’s revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God’s will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.
