Dear Parents and Carers,

We are pleased to let you know that today we launched our official school Facebook page.

The page will be used to share examples of learning from across the school, celebrate pupils' achievements, and give families a glimpse into the wonderful things happening in our classrooms and at school events. It will be a positive space where we can celebrate the hard work and success of our pupils.

From time to time, we may share photographs of activities taking place in school. In order for your child to appear in any photographs shared on our Facebook page, you must have given permission for their photo to be used on social media on the school permission form.

If you would like your child to be included in photographs but have not yet returned the permission form, please complete and return it as soon as possible. If you do not have a copy of the form, you can collect one from the school office.

Thank you for your continued support.

Yours sincerely,

Bridget Pratley
Headteacher
