Our schools approach to teaching during this time is to:

You can find information about our approach to remote learning in our Remote Education Provision: Information for Parents.

School

For pupils who are at home we will do our best to:

- Provide remote learning that supports your child to progress through the school's curriculum
- Make alternative arrangements if your child can't access remote learning
- Support your child's wellbeing, such as by allowing them to talk with their friends and school staff regularly, when possible
- Provide free school meals to eligible pupils through packages collected or delivered from school or weekly supermarket vouchers
- Keep in touch about developments in school through notices, newsletters, text, email and the school website

Parents/carers

If my child is learning at home, I understand and agree that:

- I will do my best to support my child to complete any remote learning work set for them, and get in touch with the school if this won't be possible for any reason
- I will make the school aware if my child is sick or otherwise can't complete work
- I will seek help from the school if I need it by contacting my class teacher
- I will respect the privacy of my child's teachers by not recording lessons and sharing them on social media
- Live lessons are designed to be between teachers and pupils, so I will not ask questions and avoid interrupting teaching during lessons. I will contact the teacher outside the lesson environment, preferably by emailing the teacher.
- I will be respectful when making any complaints or concerns known to staff
- I may be contacted by the school if my child fails to complete the work set for them

Pupils

If I'm staying at home, I will do my best to:

- Complete any work set by my teachers on time
- Ask my teacher or teaching assistant for help if I need it
- Let my teachers know if I'm not able to complete my work
- Follow my school's behaviour rules during remote lessons
